

The Mile High Ferret Club is a unique group of amazing ferret owners and ferret enthusiasts dedicated to helping promote better care and a greater understanding of the domestic ferret.

The Mile High Ferret Club hosts monthly events for members and the public to allow ferrets and their owners the chance to get out of the house and socialize. The events serve a dual purpose by supporting fundraising events for our "sister group,"

Ferret Dreams Rescue and Adoption. Ferret Dreams is the only known ferret-only rescue operating in Colorado today.

Along with our social events, we also publish a bi-monthly newsletter, *The Ferret Focus*, which is an educational and entertainment resource for club members.

The Club is also working hard to help every ferret owner provide the best medical care for their pets. The Mile High

Ferret Club has teamed up with several "ferret savvy" vets in the Denver area to help promote wellness and educate owners about the special needs of ferrets.

We feel that learning about the issues that most often affect ferrets before they become ill is the first step in keeping them healthy. The Club even hosts an "Education Day" each year that outlines the basics of ferret care and ownership.

In just a few years the Mile High Ferret Club has grown to include more than one hundred members and the club continues to be the best source for ferret related information and fun in Colorado!
